# Visual Content: Example

What's more memorable, and easier to understand when driving?

OR

While driving down this road, there is a chance that one or more rocks of varying size may fall from the slopes on one or both sides of you. You should be aware of this before you travel this way so you are cautious of this particular type of hazard.

# Highlighting Visual Content

# Highlight Visual Content

- Use an up-to-date logo
- Include relevant, visually-engaging photos
- Use the Giving Day logo or other shareable graphics in all social media posts and emails
- Create a short video or a video series that tells a story over several “episodes”

## Why the Orcas?

Orca Conservancy collaborates with some of the world's top research institutions and environmental groups to address the most critical issues now facing wild orcas. The organization's urgent attention is on the endangered Southern Resident killer whales of Puget Sound. Puget Sound has the largest concentration of Orcas, making it a popular hunting ground for international whaling. Together, we can raise funds to end this and save these magnificent creatures.

The strongest way your ambassadors can impact your organization is through Peer-to-Peer fundraising, they can:

# Host Virtual Events

## Pro Tip!

*Talk about these events in your profile and thank you email as well as on social media, and have Peer-to-Peer Fundraisers help spread the word!*

Get creative and go live on Facebook, YouTube, or other platforms leading up to and on the Giving Day

- AMA, “Ask Me Anything” with a staff member or ED

- News Update (post regularly, like a “Tidbit Tuesday” or “Fundraising Friday”)

# Leverage Social Media

Post often leading up to and on the giving day, and encourage engagement with your posts:

- Create a poll for a dare for the ED or a staff member to do when you reach a goal or milestone
  - “If this post gets 100 likes...”, “Once we reach 50 donors...”
- Hold a caption or photo contest
